

### Remarks

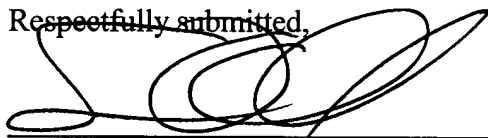

The Notice of Allowance mailed August 24, 2004 has been received. Applicants gratefully acknowledge the Examiner's allowance of the claims in the application. Upon review of the application, Applicants recognized the following inadvertent errors in the application:

- In paragraph 46, reference is made to reference numeral 92 when in fact the reference should be made to numeral 28A as used in the drawings.
- Claim 17 should depend from claim 11, not claim 15.

Applicants respectfully submit these corrections for the Examiner's consideration.

Applicants also submit herewith formal drawings as only informal drawings had previously been submitted. This amendment does not add new matter. Should the Examiner have any questions or comments regarding this amendment or the application, Applicants' attorney would welcome the opportunity to discuss the same with the Examiner.

Respectfully submitted,

---
